

## Experience Our Service

As an independent moving consultant and project management service we are committed to working with only the best moving companies and their agents. We require that front-line employees are assigned to your project.

Whether it's a valuable law library (above) or a family heirloom grand piano (below) we ensure that only qualified personnel are assigned to the task.

Successful Relocation*

# Experience That Counts When It's Needed Most

## Our Way

Efficient loading of desks and other office furniture saves time and money

Household goods are safer when properly packed and wrapped.

Only experienced movers should handle items such as pianos, antiques, and high value artwork.

We recommend Tyga Boxes for office moving.

Plastic bags to keep cables and other small items from getting lost.

## Not Our Way

Don't let this happen to your company.

Doing it yourself?

Don't forget to empty your desk drawers.

Hooking this computer back up is not going to be an easy task.

Discover how easy your relocation will be when you use RJB International as your moving consultant. With over 20 years in the Moving & Storage Industry we bring an experienced perspective to your project.

Richard is recognized by the American Moving & Storage Association (AMSA). Being qualified both as a Certified Moving Consultant (CMC) and a Certified Office & Industrial Consultant (COIC) put him in a unique and small group of individuals who has a broad range of capabilities that are recognized by the

RJB International, an independent moving consultant and project management service, provides service for many widely recognized and highly respected moving companies.
